

A Forever Home | Freedom to Grow

Backed by software experts who understand the journey

Being Acquired By Those Who Were Acquired Makes A Difference.

Why Choose Us:

Our buy-and-hold philosophy means we protect what you've built. Your team, your culture, and the customer trust you've earned stay entirely yours. While you retain the freedom to navigate your day-to-day operations at your own pace, CORA stands quietly in the background, offering the long-term capital and community insights you need to safely thrive.

Forever Home

We have never sold a business in our history. As part of Constellation Software Inc., we provide a forever home for a global portfolio of over 1,500 independent software companies.

Decentralized Autonomy

We trust you to run your business your way. We protect the unique soul, brand, and culture of every company we welcome, while providing knowledge and capital you can lean on.

Operational Expertise

Benefit from our vertical market software expertise. Constellation has completed thousands of acquisitions fostering a global ecosystem of wisdom and experts.
